**Information:**

- CSNC only performs spays and neuters.
- If you are a resident other than Cabarrus County you can still apply.

We are a non-profit organization that provides low cost spays and neuters for persons that can not afford regular veterinary clinics.

**To Apply:**

- Fill out the attached application.
  - If you have vaccination records you may send copies with the application. If you do not have copies please have our vet fax us a copy so that we can make sure all vaccines are up to date prior to surgery.
- Payments are made the day of surgery. We only accept cash and credit cards.

**Requirements for surgery:**

- All animals must be at least 12 weeks of age.
- **A licensed Veterinarian must give all vaccinations.**

**Required vaccines:**

**DOGS**

**Rabies**  
**DHLPP**  
**Bordatella**

**CATS**

**Rabies**  
**FVRCP**

**\*\*\*The Bordatella vaccine is not part of the DHLPP. You will need to make sure that your vet gives this vaccine. Not all vets will give it routinely.**

- Heartworm test for dogs and FELV/FIV test for cats are not required but strongly recommended. We also strongly recommend presurgical blood work.

**The staff veterinarian may refuse to perform any surgery if the animal is at poor surgical risk.**

**Please keep for your appointment.**

### **Surgical Information:**

- When your application has been received we will call to set up an appointment.
- The animals are given an injectable sedative when they arrive.
- When it is time for their surgery they are anesthetized with IV medications and also have an endotracheal tube placed for inhalant anesthesia.
- After surgery they will be given injectable pain medication that last about 24 hours.
- Most animals do fine after surgery, but if you feel that your animal will need oral pain medication, please contact your regular veterinarian prior to surgery.
- If you have an emergency after surgery please contact your regular veterinarian.
- We will send discharge instructions home with you.

### **Appointment Information:**

- The night before surgery you want to take away your pets food and water around 9pm.
- For the safety of your pet **CATS MUST BE BROUGHT IN CARRIERS** and dogs on leashes. **If your cat is not in a carrier there will be additional fee of \$6.00 for our cardboard carriers.**
- The day of surgery you will **DROP OFF BETWEEN 7:00 - 9:00 AM.**
- You will need to **PICK UP YOUR PET BETWEEN 4:00 - 5:30 PM.**
